

# Mutual Funds. Now simplified.

ICICIdirect Centre for Financial Learning presents Gateway to Mutual Funds.

## Introduction:

This programme will help you understand the concepts of mutual funds - how they work and how best they can serve as an investment tool. You will understand how they can help you plan for your house, child's education/marriage, car or vacations in a simple, tax-efficient and effective manner. Besides, mutual funds offer a wide bouquet of investment options across different asset classes - equity, fixed income, money market, hybrid schemes, gold, etc. which you can choose as per your investment needs.

## Objective:

This programme is designed to equip you with an all-round understanding and knowledge of investing in mutual funds.

## Ideal for:

### You should attend this programme if you are:

- An investor who is new to investing
- An investor who is looking forward to gain an understanding on how to choose a suitable fund as per one's needs
- An investor wanting to get more information on how to track and realign your investments
- A student
- Anyone who is interested in learning about mutual funds

## Programme Benefits:

### Post completion of this programme you will be able to:

- Understand the concept of mutual funds
